Newport Utilities Residential Service Contract Terms and Conditions

The undersigned ("CUSTOMER") makes application for utility services with Newport Utilities ("NU") and promises to timely pay charges for said services (or other obligations created herein) as measured by NU's meters according to current application rates and to otherwise comply with other provisions set forth herein on this or any future or past additional account maintained by CUSTOMER.

CUSTOMER agrees to permit and provide NU's authorized agent and employees free, unhindered, and reasonable access to the premises/location where utility service is consumed for purposes of reading meters, inspecting, repairing and/or removing property of NU. This includes, but is not limited to, access without obstruction of locked or vehicle gates, intimidating animals and/or high weeds. In the event that any obstruction is incurred NU will install an Electronic Radio Transmitting meter at the customers expense. Failure to allow access may result in suspension of service. CUSTOMER agrees that NU may charge to CUSTOMER reasonable charges for any reasonable charges for any reasonable expense incurred in gaining access.

CUSTOMER agrees that they will comply with, and be bound by the Schedule of Rules and Regulations that NU may from time to time adopt, establish, or amend. A copy of the current Rules and Regulations may be obtained during normal business hours at the office of NU or by accessing NU's website at www.newportutilities.com.

CUSTOMER agrees that NU and their agents and employees may review CUSTOMERS' credit record with credit reporting agencies and CUSTOMERS' other creditors and agrees that such information may be released to and may be released by NU. CUSTOMER may be required to provide a deposit or suitable guarantee approximately equal to twice the average monthly bill before requested service be turned on unless the NU review of CUSTOMERS' credit determines a reduced deposit requirement or a waive of the deposit requirement.

CUSTOMER acknowledges that it is a violation of Tennessee law to apply for service with intent to avoid payment of lawful price or to assist others in avoiding payment for utility services and agrees to refrain from doing so and that, in addition to other remedies, NU may discontinue service in the event CUSTOMER fails to comply herewith.

CUSTOMER agrees to pay reasonable costs of collection and attorney fee expense incurred by NU in collecting for services rendered or for enforcement of the provision of the agreement.

Sales Tax Disclaimer (applies to Electric Service Only): CUSTOMER is applying for electric service at the new service location listed above and is attesting that the electricity used at this location will be for the purpose of residential use as defined in Tennessee Code Annotated 67-6-334, and therefore, would not be subject to State of Tennessee sales tax.
